

2012 Price List

While browsing our price list, please keep in mind that you can mix and match items from all four pages.

If you love letterpress, but want to reduce costs, you can decrease the number of colours on one or more items or choose a reply postcard instead of a reply card and envelope.

Items with changing information (envelope addressing, seating/place cards, table numbers etc.) are only printed digitally.

If there is anything that you would like quoted that does not appear on our price list, please contact us at info@sweetpeonypress.com
